► **AT A GLANCE**

Our CSR strategy is based on three main priorities:

- E = Environment, the Fight against Climate Change

- G = Governance, Business Ethics & Responsible Marketing

FOR WHOM?

All Business Units and employees must participate in two ways:

1. By being active in the key areas in which the Groupe wants to have a greater positive impact; and
2. By contributing to CSR ⁽¹⁾ reporting.

WHAT?

The Groupe is committed to doing business ethically, sustainably and in the best interests of all stakeholders, with a view to increasing positive impacts and limiting negative impacts.

HOW?

Groupe CSR Strategy

The Groupe’s Corporate Social Responsibility policy and sustainability strategy are reviewed annually to assess alignment with key stakeholder expectations.

- This goes hand-in-hand with voluntary goals such as using 100% renewable energy from a direct source by 2030.
- Publicis Groupe is tracking carbon intensity (*per capita* and *per euro*) to better assess its progress year after year. Visit the Groupe Policy IV.02. / Net Zero Climate.
